Where Hope and Healing Happen

Our Mission

The Children's Center Utah provides comprehensive mental health care to enhance the emotional well-being of infants, toddlers, preschoolers, and their families.

Our Vision

Secure family relationships nurture communities where children are seen, heard, and safe.

Our Values

Compassion

We harness the power of our caring and passion to help others heal and thrive.

Equity, Diversity, Inclusion, and Belonging

We embrace differences and create an environment where everyone feels safe and respected.

Relationships

We build trusting and authentic relationships through commitment and integrity, which are the foundation of our work.

Courage

We dare to speak for those who cannot and advocate for what is just even when we are alone in doing so.

Continuous Improvement

We continue to evolve, improve, and learn as we strive to achieve the extraordinary.

Trauma-informed Culture

We acknowledge lived experience and are committed to safety, trustworthiness, choice, collaboration, and empowerment, to support a trauma-informed culture.

EQUITY, DIVERSITY, INCLUSION, AND BELONGING

Our principles

The Children's Center Utah is committed to learning, changing, and growing as we continually develop a stronger environment of equity, diversity, inclusion, and belonging to provide compassionate care to our children and families receiving services, to our team, and to our communities.

Our goals are to achieve the following:

- Our clients, team, board, and volunteers reflect the communities we serve
- Recruitment, hiring, and retention practices promote diversity
- Our team knows they belong here and can be authentic
- Opportunity, growth, and leadership are open to all team members
- We champion and promote equity, diversity, inclusion, and belonging
- We lead by example

The Children's Center Utah provides services to children birth through six. Therapists provide outpatient family therapy and parent groups in person and via telehealth.

We provide child-centered consultation and training to build early childhood providers' capacity to enhance the emotional well-being of children in their care. Many services are available statewide and interpretation services are available in most languages.

PROGRAMS

How We Work

The Children's Center Utah strengthens infant and early childhood mental health through:

CENTER-BASED CLINICAL SERVICES

Outpatient Clinical Services:

Children birth through six and their families receive research-based, trauma-informed outpatient therapy.

Therapeutic Preschool:

Children ages two through five with the most acute mental health needs receive additional support beyond outpatient services so they can thrive in traditional preschool settings.

STATEWIDE PROVIDER SERVICES

Early Childhood Consultation and Training:

Licensed childcare program professionals from a variety of backgrounds receive in-person and virtual training and consultation.

CAPACITY BUILDING SYSTEM WORK

Workforce Development:

Infant and early childhood mental health professionals and students participate in internship and residency opportunities.

Public Awareness and Program/Policy Development:

Awareness and policy development efforts ensure early childhood mental health remains at the forefront of statewide discussions.

Our dedicated team includes psychologists, psychiatrists, clinical social workers, mental health counselors, licensed marriage and family therapists, graduate student interns, paraprofessionals, shuttle bus drivers, and talented administrators.

READY! RESILIENT! UTAH EARLY CHILDHOOD MENTAL HEALTH SUMMIT

2023 Stakeholder Opportunities

The Ready! Resilient! Summit raises awareness and provides education throughout Utah on the mental health needs of infants, toddlers, preschoolers, and their families. Approximately 2,000 online registrants from all sectors, including government, mental health, healthcare, early childhood education, and business have joined the event.

In 2023, for the first time, we will host the Ready! Resilient! Summit in-person, offering attendees the opportunity to network. This summit will bring together experts, professionals, and advocates to discuss the importance of early childhood mental health.

MENTAL HEALTH AWARENESS MONTH

Ways to Get Involved

As recognized experts in early childhood mental health, The Children's Center Utah provides mental health care for nearly 1,200 children ages birth through six annually.

We are looking for organizations, local businesses, and community leaders to strengthen early childhood mental health care and its many positive outcomes for our state.

When your business or company supports the mission of The Children's Center Utah, you let families know they are not alone and you reduce barriers to mental health care.

CHAMPION CHILDREN'S MENTAL HEALTH

Equip family therapists with the tools they need to teach children to regulate their emotions

Provide inclusive and accessible books for children

Provide transportation to and from our center

Stock our therapeutic group rooms with nutritious snacks

- Invite customers to round-up point-of-sale purchases during the month of May to benefit The Children's Center Utah
- Place a poster at your business or company
- Share our mission and posts on social media
- Share our mission in one of your newsletters
- Match employee donations
- Donate \$1 from each sale during the month of May
- Place a flyer at the cash register and invite people to make a donation
- And much more!

For more information, contact Carla Frein, Marketing and Communications Manager, at cfrein@tccutah.org.

VOLUNTEER WITH US

Ongoing opportunities

Volunteers strengthen the work of our team and help us spread awareness about infant and early childhood mental health. As a volunteer, you will provide hope and healing to children, families, and caregivers. Through compassion and respect, volunteers help children work through mental health challenges such as social integration, confidence, anxiety, emotional and behavioral regulation, and healthy communication.

Donation Drives

From clothing to high-priority or basic need items such as diapers, our donation drives run on an ongoing basis with special holiday giving opportunities and drives for our Family Store which provides basic needs items to the families we serve.

Company Team Opportunities

Create sensory items, gross motor skills activities, memory games, or resource items for our families! Perfect for families, school groups, or company team retreats.

Curriculum Activity Kits

Design interactive activity kits that follow our Therapeutic Preschool Program's curriculum such as seasons, farm and zoo animals, and music.

Therapeutic Preschool Program

This volunteer opportunity is open to students or professionals in fields such as early childhood education, psychology, social work, or family consumer studies.

Toy Cleaning Volunteers

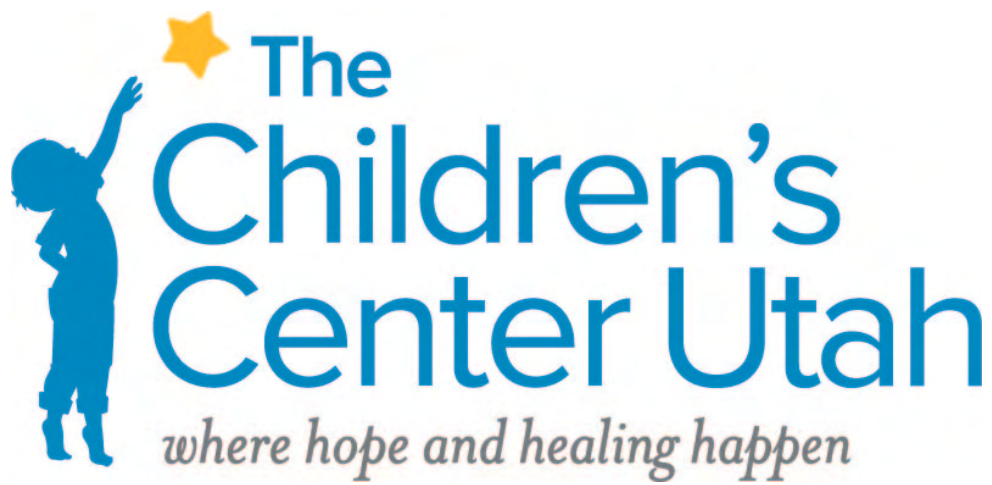

In order for our therapeutic groups to provide a consistent routine and calm environment for the children we serve, our groups need assistance in keeping their toys clean and ready to play with!

For more information, contact Bella Paolucci, Volunteer and Community Outreach Coordinator, at bpaolucci@tccutah.org.
